

MOBILE EXPEDITIONS ROCA RIVER CAMP

THE CAMP

Our small and exclusive Mara camp is located on the edge of Paradise Plains in the famous Masai Mara National Reserve, in a quiet corner on the banks of the Mara River which offers the tranquility of both the riverine forest and the great Mara plains. We are strategically located with access to both the Mara Triangle and the Greater Maasai Mara National Reserve, giving us some of the best game viewing Kenya has on offer. This beautiful private tented camp is designed and hosted by Ross and Caro Withey, or our lovely manager Philip. The camp gives you the true essence of the romantic classic safari under canvas, that can't be felt in a regular lodge. The camp is available on both an exclusive and non-exclusive basis at a time, a highly personalised, eco-conscious and intimate wilderness experience. As a part of your personalised experience, each guest group is given their own private vehicle with spotter and guide.

ACCOMMODATION

The camp offers 10 large ensuite traditional safari tents, including one family tent. The family tent is two ensuite rooms and can accommodate up to five people. All tents can be configured as singles, doubles, twins or triples. Each tent has a changing area a refillable shower and a flush loo, equipped with fans and hairdryers. Hot water bottles are placed in your beds in the evenings. 5 tents face the great Mara plains and 5 tents face the beautiful Mara river. We have 2 seating areas with a bar area and book collection, and a spacious dining room, although many meals are taken under the shady trees or near a campfire under the stars.
