ROCA RIVER CAMP
- MAASAI MARA -

Little Explorers

Let us take the pressure of and help keep your little ones entertained while staying with us at Roca River Camp. We have developed a fun, educational and interactive way for our little explorers to make the most of their time in the Mara.

Learn to Be a Maasai Warrior: Spend time with our lovely team in camp who will teach our little explorers some key Maasai skills; *archery, spear throwing and fire lighting.*

Treasure Hunting: Head out onto the sandy beach below the camp, along the Mara River and hunt for some “wild treasure”. You will find things like *stone age tools and crocodile teeth.*

Maasai Arts & Crafts: While in camp, our little explorers can work on some more “arty” projects. We will keep them busy with *elephant dung paper making, flower & grass identifying and pressing.*

Maasai Beading: We have an amazing community living in the Mara, and we are lucky enough to be able to enrich experiences with *beading with our local “mamas”*, and what better souvenir than something they made themselves?

In Camp Games: In Camp, we have a lovely selection of games for the whole family to get involved with. Why not spend a quiet afternoon in camp playing *Finska, Croquet or Badminton*. Or if it raining learn about the Big Five, and play some lovely indoor board games...

Why not try and remember these prints...1. Lion, 2. Elephant, 3. Warthog, 4. Hyena, 5. Zebra
