*Note that timings may vary depending on the season and guest preferences.*

## 05H30 ♦ **EARLY MORNING WAKE-UP CALL**

Start your day with a gentle wake-up call and a steaming cup of coffee or tea accompanied by light snacks including fresh fruits, muesli and homemade muffins. As the sun begins to rise, you'll set out on your first morning game drive or safari activity – taking in the stillness and beauty of rising with nature, and the perfect time to witness wildlife in action.

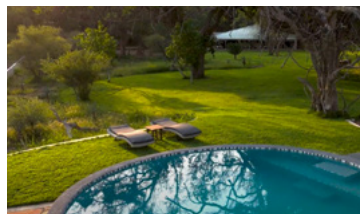

## 06H00 ♦ **MORNING SAFARI ACTIVITY**

Explore the reserve's diverse landscapes with our highly experienced and passionate guides and trackers, witnessing elephants, leopards, lions, cheetah, antelope and prolific birdlife (with over 350 bird species). Option to replace one daily game drive with a safari walk.

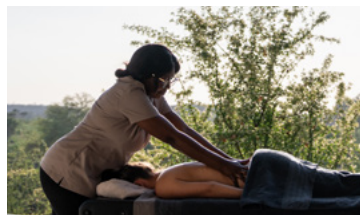

## 10H00 ♦ **BRUNCH**

Return to your accommodation for a scrumptious brunch, featuring a mix of breakfast and lunch options served alfresco in the dining area or under the grandeur of trees in the lodge gardens. A wholesome meal and delightful way to refuel and share stories of the morning's adventures.

## 12H00 ♦ **LEISURE TIME**

Spend your afternoon relaxing by the pool, indulging in a spa treatment with Serokolo Spa, reading a book in the cosy communal lounge, or enjoying the serene views from your private deck. This is your time to unwind and recharge in nature.

15H30

Gather for afternoon tea before heading out on your next safari adventure. Delight in sweet and savoury treats paired with refreshing beverages and tranquil views of the surrounds, whether it be an active waterhole, river or expansive plains.

16H00

Head back into the wild for the second daily safari adventure, witnessing the stunning African sunset in vibrant hues. Enjoy sundowners with breathtaking views of the bushveld, capturing the magic of golden hour.

19H00

Arrive back to a warm welcome from the Mashatu team. Either return to your suite/villa to freshen up or make your way to the bar area for a drink before dinner is served.
