

Roya Mara

1

Mara Safari Lodge is a boutique luxury tented lodge in the vast 70,000-acre Mara North Conservancy. With breathtaking views of the hippo bend pool of the Mara River, all our riverfront tents offer you a luxurious safari experience.

Located in what is arguably the best wildlife viewing location, Royal Mara Safari Lodge offers unsurpassed game-viewing experiences in Mara North Conservancy.

2

Experience the serene beauty of the Mara as the golden sun rises over the sprawling savannah. Begin your day with a hot air balloon ride, silently floating above herds of wildebeests and zebras. As the morning mist lifts, enjoy a bush breakfast under the shade of an acacia tree. In the evening, gather around a roaring campfire under a blanket of stars, listening to the distant roar of lions—a perfect end to a day in the wild.

3

The exclusivity of the lodge allows for privacy and provides the guests with their own slice of the vast Maasai Mara wilderness. Despite being in the wild, the area is safe and measures have been put in place to ensure the safety of our guests.

4

Step into the wild. Live the experience. Share your story

5

Located in Mara North Conservancy, you can reach Royal Mara Safari Lodge by air. Just a 30 minute flight from Wilson Airport in Nairobi, the lodge is accessible via Mara North airstrip which is 10 minutes from the lodge.

You can also reach Royal Mara Safari Lodge by road. This will be a scenic drive of about 4 - 5 hours. From the Lodge, the nearest gate to the Maasai Mara National Reserve is Musiara Gate which is approximately 30 minutes away.

6

7

Experience unforgettable game drives with Royal Mara Safari Lodge which is located in Mara North Conservancy, a private conservancy north of the Maasai Mara National Reserve. Comprising of 70,000 acres, this wildlife rich destination is home to the big cats made popular by BBC's Big Cat Diaries program.

With vast spaces for the wildlife to roam freely, this pristine wildlife area offers fantastic game viewing experiences that can be enjoyed in a safari vehicle or on foot.

8

The up-close encounters will allow you and your family to witness the beauty of nature while in a custom-made 4x4 safari vehicle or on foot. During the off-road driving, you will come close to the big five, the abundant plains game, and other bird species such as the Shallow's Turaco and the Narina Trogon. This safari destination is every photographer's dream.
